If a review of past Department of Veterans Affairs inspections or inspections made by the local authorities indicates that a fire and safety inspection would not be necessary, then the visit to the facility may be waived.

(2) Be in compliance with existing standards of State safety codes and local, and/or State health and sanitation codes.

(3) Be licensed under State or local authority.

(4) Where applicable, be accredited by the State.

(5) Comply with the requirements of the “Confidentiality of Alcohol and Drug Abuse Patient Records” (42 CFR part II) and the “Confidentiality of Certain Medical Records” (38 U.S.C. 7332), which shall be part of the contract.

(6) Demonstrate an existing capability to furnish the following:

(i) A supervised alcohol and drug free environment, including active affiliation with Alcoholics Anonymous (AA) programs.

(ii) Staff sufficient in numbers and position qualifications to carry out the policies, responsibilities, and programs of the facility.

(iii) Board and room.

(iv) Laundry facilities for residents to do their own laundry.

(v) Structured activities.

(vi) Appropriate group activities, including physical activities.

(vii) Health and personal hygiene maintenance.

(viii) Monitoring administration of medications.

(ix) Supportive social service.

(x) Individual counseling as appropriate.

(xi) Opportunities for learning/development of skills and habits which will enable Department of Veterans Affairs sponsored residents to adjust to and maintain freedom from dependence on or involvement with alcohol or drug abuse or dependence during or subsequent to leaving the facility.

(xii) Support for the individual desire for sobriety (alcohol/drug abuse-free life style).

(xiii) Opportunities for learning, testing, and internalizing knowledge of ill-

ness/recovery process, and for upgrading skills and improving personal relationships.

(7) Data normally maintained and included in a medical record as a function of compliance with State or community licensing standards will be accessible.

(b) Representatives of the Department of Veterans Affairs will inspect the facility prior to award of a contract to assure that prescribed requirements can be met. Inspections may also be carried out at such other times as deemed necessary by the Department of Veterans Affairs.

(c) All requirements in this rule, and Department of Veterans Affairs reports of inspection of residential facilities furnishing treatment and rehabilitation services to eligible veterans shall to the extent possible, be made available to all government agencies charged with the responsibility of licensing or otherwise regulating or inspecting such institutions.

(d) An individual case record will be created for each client which shall be maintained in security and confidence as required by the “Confidentiality of Alcohol and Drug Abuse Patient Records” (42 CFR part 2) and the “Confidentiality of Certain Medical Records” (38 U.S.C. 7332), and will be made available on a need to know basis to appropriate Department of Veterans Affairs staff members involved with the treatment program of the veterans concerned.

(e) Contractors under this section shall provide reports of budget and case load experience upon request from a Department of Veterans Affairs official.

contracts will be awarded only after the quality and effectiveness, including adequate protection for the safety of the participants of the contractor's program, has been determined and then only to contractors determined by the Under Secretary for Health or designee to be fully capable of meeting the following standards:

(1) The following minimum fire safety requirements must be met:

(i) The building must meet the requirements in the applicable provisions of the NFPA 101 (incorporated by reference, *see* §17.1) and the other publications referenced in those provisions. Any equivalencies or variances to VA requirements must be approved by the appropriate Veterans Health Administration Veterans Integrated Service Network (VISN) Director.

(ii) Where applicable, the facility must have a current occupancy permit issued by the local and state governments in the jurisdiction where the home is located.

(iii) All Department of Veterans Affairs sponsored patients will be mentally and physically capable of leaving the building, unaided, in the event of an emergency.

(iv) As a minimum, fire exit drills must be held at least quarterly, and a written plan for evacuation in the event of fire shall be developed and reviewed annually. The plan shall outline the duties, responsibilities and actions to be taken by the staff in the event of a fire emergency. This plan shall be implemented during fire exit drills.

(v) An annual fire and safety inspection shall be conducted at the facility by qualified Department of Veterans Affairs personnel. If a review of past Department of Veterans Affairs inspections or inspections made by the local authorities indicates that a fire and safety inspection would not be necessary, then the visit to the facility may be waived.

(2) Conform to existing standards of State safety codes and local and/or State health and sanitation codes.

(3) Be licensed under State or local authority.

(4) Where applicable, be accredited by the State.

(5) Comply with the requirements of the "Confidentiality of Alcohol and

Drug Abuse Patient Records" (42 CFR part 2) and the "Confidentiality of Certain Medical Records" (38 U.S.C. 7332), which shall be part of the contract.

(6) Demonstrate an existing capability to furnish the following:

(i) A supervised, alcohol and drug free environment, including active affiliation with Alcoholics Anonymous (AA) programs.

(ii) Staff sufficient in numbers and position qualifications to carry out the policies, responsibilities, and programs of the facility.

(iii) Structured activities.

(iv) Appropriate group activities.

(v) Monitoring medications.

(vi) Supportive social service.

(vii) Individual counseling as appropriate.

(viii) Opportunities for learning/development of skills and habits which will enable Department of Veterans Affairs sponsored residents to adjust to and maintain freedom from dependence on or involvement with alcohol or drug abuse or dependence during or subsequent to leaving the facility.

(ix) Support for the individual desire for sobriety (alcohol/drug abuse-free life style).

(x) Opportunities for learning, testing, and internalizing knowledge of illness/recovery process, and to upgrade skills and improve personal relationships.

(7) Data normally maintained and included in a medical record as a function of compliance with State or community licensing standards will be accessible.

(b) Representatives of the Department of Veterans Affairs will inspect the facility prior to award of a contract to assure that prescribed requirements can be met. Inspections may also be carried out at such other times as deemed necessary by the Department of Veterans Affairs.

(c) All requirements in this rule and Department of Veterans Affairs reports of inspection of residential facilities furnishing treatment and rehabilitation services to eligible veterans shall, to the extent possible, be made available to all government agencies charged with the responsibility of licensing or otherwise regulating or inspecting such institutions.

RESEARCH-RELATED INJURIES

§ 17.85 Treatment of research-related injuries to human subjects.

(a) VA medical facilities shall provide necessary medical treatment to a research subject injured as a result of participation in a research project approved by a VA Research and Development Committee and conducted under the supervision of one or more VA employees. This section does not apply to:

(1) Treatment for injuries due to non-compliance by a subject with study procedures, or

(2) Research conducted for VA under a contract with an individual or a non-VA institution.

NOTE TO § 17.85(a)(1) AND (a)(2): Veterans who are injured as a result of participation in such research may be eligible for care from VA under other provisions of this part.

(b) Except in the following situations, care for VA research subjects

38 CFR Ch. I (7-1-14 Edition)

under this section shall be provided in VA medical facilities.

(1) If VA medical facilities are not capable of furnishing economical care or are not capable of furnishing the care or services required, VA medical facility directors shall contract for the needed care.

(2) If inpatient care must be provided to a non-veteran under this section, VA medical facility directors may contract for such care.

(3) If a research subject needs treatment in a medical emergency for a condition covered by this section, VA medical facility directors shall provide reasonable reimbursement for the emergency treatment in a non-VA facility.

(c) For purposes of this section, “VA employee” means any person appointed by VA as an officer or employee and acting within the scope of his or her appointment (VA appoints officers and employees under title 5 and title 38 of the United States Code).

CARE DURING CERTAIN DISASTERS AND EMERGENCIES

§ 17.86 Provision of hospital care and medical services during certain disasters and emergencies under 38 U.S.C. 1785.

(a) This section sets forth regulations regarding the provision of hospital care and medical services under 38 U.S.C. 1785.

(b) During and immediately following a disaster or emergency referred to in paragraph (c) of this section, VA under 38 U.S.C. 1785 may furnish hospital care and medical services to individuals (including those who otherwise do not have VA eligibility for such care and services) responding to, involved in, or otherwise affected by that disaster or emergency.

(c) For purposes of this section, a *disaster* or *emergency* means:

(1) A major disaster or emergency declared by the President under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 *et seq.*) (Stafford Act); or

(2) A disaster or emergency in which the National Disaster Medical System established pursuant to section 2811(b)
